Children

Children until 16 receive extra payment in Switzerland. From 16 to 25 they receive extra payment as education-support. Therefore we need a **copy** of the birth certificate and a **confirmation** from your country, if you receive an extra payment and how much it is.

If you have children from 16 to 25, you need a confirmation from the school/university they are studying. Please make sure, the school writes down the exact dates of the beginning and ending of school year. If there's written just 2017/2018, the extra payment will end at June 30, 2018.

Every document has to be translated in German.

Please: Send the documents regarding your children not until you received the confirmation from Obst- und Beerenland for your assignment.
